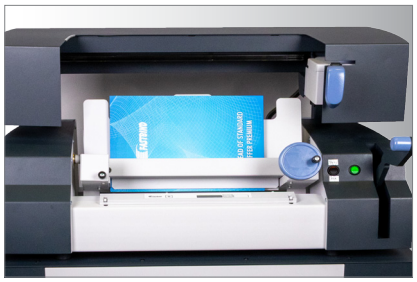
- Up to A4+ or Letter portrait
- From 0.1 mm up to 50 mm thick
- Strong and accurate binding
- Silent, clean and easy to use

**ONE HANDY MINI IS THE IDEAL BINDER IN ANY DIGITAL ENVIRONMENT !**

# FASTBIND ONE HANDY MINI

## Fastbind ONE: the ONLY binding machine you need

Fastbind **ONE Handy** is the perfect choice for digital environments, combining flexibility, efficiency, and ease of use. This compact binder quickly produces both hard and soft cover books, tear-off pads, and strip bindings. It handles all formats from miniature A6 up to 325 x 220 mm (including A4 and letter portrait) and thicknesses up to 50 mm, without the need for adjustments between jobs.



New Sesame system for better access to the book block

## Compatible with all major hotmelt glues

Unlike other binders, Fastbind ONE machines work with the widest range of adhesives: EVA, PO, metallocene, and PUR. With advanced temperature control, **ONE Handy Mini** delivers reliable performance with any glue type.

Safe construction. No risk for fingers in the rollers.

## Built for any workspace

Designed for copy shops, print rooms, and professional studios, **ONE Handy Mini** is quiet, clean, odorless, and energy efficient. Its ergonomic design ensures safe and comfortable use in any environment.

## High productivity with consistent quality

Made in Finland with durable engineering, Fastbind **ONE Handy Mini** is built to last decades, whether you produce a single book or a thousand per day. Its innovative clamp and nipping mechanism guarantee precise alignment and a perfectly square, strong spine every time.

Ergonomic handles and sturdy rail for constant quality.

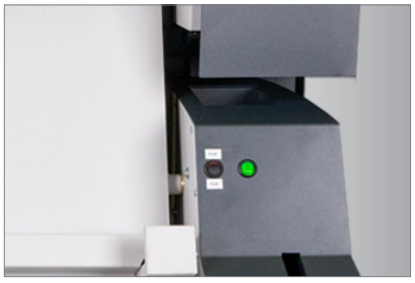
## Simple and fast to use

Ready to operate in under 15 minutes, **ONE Handy Mini** requires minimal maintenance. Its intuitive design allows anyone to learn in minutes, without costly training or specialist operators required. The patented  Sesame System© makes setup effortless: lift the arm, place the book, lower, and lock the clamp with the Sesame knob.

## Modular design for future upgrades

**ONE Handy Mini** adapts to your evolving needs. Optional tools can be added anytime, including:

- Hard cover toolkit (nipping bar + hard cover guide)
- PUR connection kit for fume extraction
- Easy clean kit for quicker PUR glue tank cleaning and reduced hands-on time



New glue selection switch
